FOR IMMEDIATE RELEASE 06/26/2023

## Taylor Logistics Inc. Welcomes Jason Sargent as VP of Logistics

CINCINNATI, Ohio. – JUNE, 26th 2023 – [Taylor Logistics](#), a leading provider of comprehensive logistics solutions, is pleased to announce the appointment of Jason Sargent as its new Vice President of Logistics. With nearly 20 years of experience in the logistics industry, Jason brings a wealth of knowledge and expertise to Taylor. In his new role, he will oversee the strategic planning and execution of our logistics operations, driving efficiency and ensuring exceptional service delivery to our valued customers.

"I know his professionalism, expertise, and attitude is a value-add to both our team and customers, which is why we exist," said Will Roberson, COO of Taylor Logistics Inc. "His proven track record of success and deep understanding of the industry will be instrumental in elevating our operations to new heights and reinforcing our commitment to providing unparalleled logistics services."

Prior to joining Taylor Logistics, Jason held various key leadership positions within prominent logistics organizations, where he demonstrated exceptional leadership skills, implemented innovative strategies, and consistently achieved outstanding results. His profound insights into supply chain management and his ability to drive operational excellence will play a pivotal role in enhancing our capabilities and meeting the evolving needs of our clients.

"I am honored to join #TeamTaylor and be a part of a dynamic team that is known for its commitment to excellence," said Jason Sargent. "I look forward to being a part of the next chapter of Taylor's rich history and building on a strong foundation of core values and progressive, customer-centered solutions."

As the new VP of Logistics, Jason Sargent will work closely with our brokerage team with home base in Newport, Kentucky, to optimize processes, strengthen partnerships, and drive innovation. His leadership will be instrumental in further positioning Taylor Logistics as a trusted industry leader.
