

About Taylor

Taylor Logistics Inc. is the Nation's Most Progressive Family Owned logistics company. From their founding in 1850 to today, Taylor is currently in sixth and seventh-generation ownership. Taylor's passion is finding solutions for their customers through their various services. From warehousing both contract and public, freight brokerage, packaging, kitting, drayage, and trucking. All of which are customizable and technology-driven. Their 170 years in logistics experience have proven that they are not merely a vendor for your company – they are an extension of your team with a clear understanding of our responsibility to replicate your organization's strategic business goals.
